PROJECT IN NUTSHELL

QuarantinART will escalate the mental health and wellbeing of the participants

QuarantinART will enhance Self-awareness and Expression

QuarantinART will help them show off their talents to the world

QuarantinART will reinforce to acknowledge and celebrate their own uniqueness and diversity.

QuarantinART will reconnect with their 'child like' state.

QuarantinART will give to women the permission to be creative.

QuarantinART will learn and dare to fail. Creativity has no rules

QuarantinART will increase Mindfulness

Why QuarantinART

INspiring adUlts explore Their ARTIstic side (QuarantinART) will equip and support women with knowledge, key competencies and tools for improving understanding of artistic environments and diversity concepts in order for people who do not have the luxury to learn how to invest in art, or with a background that is not so artistic friendly, to invest time and energy in accepting that a more creative life will ensure an increase of resourcefulness and inspiration which even allows women to work professionally in a creative field.

The objectives of this project include:

- **Escalate the mental health and wellbeing of the participants**
- **Enhance Self-awareness and Expression**
- **Help them show off their talents to the world**
- **Reinforce to acknowledge and celebrate their own uniqueness and diversity.**
- **Reconnect with their 'child like' state.**
- **Give to women the permission to be creative.**
- **Learn and dare to fail. Creativity has no rules.**
- **Increase Mindfulness**

PROJECT PARTNERS

Bratislava Policy Institute is an independent, not-for-profit think tank dedicated to fostering liberal democracy, human rights and CE region, and European integration through analysis and debate, supporting and challenging at relevant stakeholders in national and international level to make informed decisions based on evidence and analysis.

Rinascita is a Social Cooperative pursues the interest of the community for the human promotion and the social integration of the citizens through several activities aiming to the professional integration of youngsters and people with fewer opportunities.

ENOROS objective is to provide specialized knowledge in planning, management and evaluation of development programs and projects, both at national and European levels. Their disciplines have a wide range from Political Science, International Relations, Economics, Psychology, Sociology, Engineering, Agronomy.

PROJECT PARTNERS

The European Foundation for Innovative Development implemented projects involving the creation of legal advice offices. The main goal of the projects implemented by the foundation was to provide free, universal and impartial access to reliable, current and confidential legal and civic advice.

Tavo Europa is more than just another NGO working on the development of society by making those choices. It is a platform that gathers youth and different kind of experts who work together. We are home for the knowledge-hungry professionals that deeply care about their job, about career development and about youth.

QUARANTINART NEWS

Kick-off Meeting In SLOVAKIA

The kick off meeting was organized in Bratislava 24 - 25. June 2021, despite the COVID restriction almost all partners joint the meeting in person. Project Leader (BPI) presented the drafts of the Project Work Plan & the Quality Management Plan to the partners, discuss the details concerning each partner's responsibilities and work with all partners to update and finalise the project's time plan (Gantt).

During this meeting all Outputs will be briefly discussed and planned while O1 scope, activities and desirable outcomes will be analysed and planned.
